MEMO ENDORSED

Re: *United States v. Tazewell*
07-cr-1035

Dear Judge Berman:

This office represents defendant Tremain Tazewell in the above-captioned matter. By this letter, defendant respectfully requests the Court's permission to work outside his home, where he is currently subject to confinement and electronic monitoring. As the Court is aware, defendant is being supervised by United States Probation Officer Todd Stokes in Maryland. Defendant is mindful that the Court has previously stated in open Court that home detention permits work. However, Mr. Stokes informs us that it is necessary to obtain written permission from the Court to allow work outside the home. For this reason, defendant respectfully requests such permission, subject to the supervision and parameters established by Pretrial Services. The Government, by AUSA David O'Neil, consents to this request.

Thank you for Your Honor's consideration of this request.

On consent of the parties,

Home confinement and

electronic monitoring are

continued. Defendant, however,

is permitted to work outside the

home, subject to the supervision of

Pre Trial Services.

Very truly yours,

Sanford Talkin
